

Mission Statement

The Vision

That young people be given the opportunity to reach their potential.

The Mission

To provide strategies, resources, opportunities, and environments for young people, as well as organizations working with young people, to be empowered to discover and reach their potential.

We accomplish our mission by...

- *Believing in who kids CAN be*
- *Building relationships with young people*
- *Providing experiences that capture their attention and impacts their lives*
- *Incorporating high adventure into the experiences*
- *Providing leadership training*
- *Nurturing young people's gifts and talents*
- *Emphasizing community service*
- *Developing job skills and opportunities for 'at risk' youth*
- *Working with a team of like-minded adults and organizations*
- *Actively partner with other agencies and organizations to serve young people.*
- *Helping young people develop the skills, assets, and attitudes to reach their full potential*
- *Offering a faith based lifestyle as a model for development*
- *Praying for young people*

The Values

- *Our key values are: Integrity, Compassion, Faith, Vision, Discipline, Initiative, Service & Humility*
- *Researching and developing innovative approaches for Leadership Development, At Risk Youth, Community Service, and Discipleship.*
- *Reaching adolescents of all social, cultural, economic, and ethnic backgrounds*
- *Support those organizations and agencies who work with young people and help them reach their potential*
- *Living a lifestyle in keeping with Biblical principles*
- *Fostering a healthy relationship with Jesus Christ*
- *Observing the highest standards of stewardship of all the resources placed in our trust*
